Dear Comrades,

Are you part of any international network/organisation?

INTERNATIONAL MILITANT ANTI-FASCIST CONFERENCE.

Anti-Fascist Action are committed to developing contacts internationally, and working to combat the isolation experienced by anti-fascist militants throughout the world.

We are proposing to hold an international conference in the U.K. over one weekend in the summer/autumn of 1997. We believe that such a conference is essential for us to be able to work effectively on an international level, and to ensure that the ideas and experiences of militant anti-fascists are promoted internationally.

If your group/organisation would be interested in participating in an international conference, then please complete and return the enclosed questionnaire. We are requesting this information to enable us to have a better understanding of the current levels of anti-fascist militancy, and to assist us with developing an agenda for the conference.

We are unable to offer any assistance with travelling costs, and will be requesting a reasonable registration fee in advance towards the cost of organising the conference. We will be able to provide limited free/very cheap accommodation, but must restrict this to 2 delegates per group/organisation.

The conference will only go ahead if we receive enough positive responses to this letter to make it worthwhile, so please reply as soon as possible and no later than January 31st 1997.

We welcome any comments/suggestions. Please circulate this letter and questionnaire as widely as possible.

In solidarity,

Anti-Fascist Action.
