The Time to Fight is Now

LEEDS ALLIANCE AGAINST RACISM AND FASCISM

Over the last year the racists of the British National Party (BNP) have been active in Leeds. BNP thugs have attacked the homes of trades unionists and anti-racists in South Leeds and have also been active in the city centre where there have been numerous attacks on anti-racist campaigners and on a record shop that stocked anti-racist records and T-shirts. Jewish homes in Moortown have also been attacked.

Victim of a race attack

We intend to make a stand against racism and fascism in Leeds. We will be gathering information on racist activity and opposing it wherever it occurs. As part of our campaign we have called a demonstration for the 26th November in Leeds.
